THE HUMAN INSIGHT & CAMPAIGN OBJECTIVES

THE HUMAN INSIGHT

Team Falcons enter EWC 2026 with a story that goes beyond a single tournament.

At EWC 2025, Falcons finished 3rd. Since then, the team has repeatedly reached the final stages of top-tier competition, finishing on the podium several times before achieving a major breakthrough by winning the IEM Cologne Major 2026.

The journey tells a clear story:

3rd → 3rd/4th → 3rd → 2nd → 2nd → 2nd → 1st

Cologne changed the narrative. Falcons are no longer simply a team trying to reach the podium — they have proven that they can win at the highest level.

EWC 2026 therefore represents an opportunity to turn last year's unfinished story into something bigger.

The question is no longer whether Falcons can get close. It's whether they can finish the job.

BUSINESS OBJECTIVE

Strengthen Team Falcons' position as a leading global esports organization by turning their competitive journey into a stronger brand and fan story around EWC 2026.

MARKETING OBJECTIVE

Build anticipation before EWC, maximize real-time engagement during the tournament, and extend the conversation after the event through content that connects competitive performance with player personality and fan culture.

COMMUNICATION OBJECTIVE

Shift the perception of Falcons from a team that comes close to a team that knows how to win.

The campaign should make fans feel that EWC 2026 is not just another tournament.

It is the next chapter of a journey that started with 3rd place in 2025 and reached its breakthrough in Cologne.

THE BIG IDEA

NOT DONE YET.

WHAT HAPPENS WHEN 'ALMOST'
ISN'T ENOUGH ANYMORE?

NOT DONE YET.

The campaign starts with a simple question:
What happens when "almost" isn't enough anymore?

For the past year, Falcons have proven that they belong among the best. They reached the podium, came close to winning, and kept coming back for another shot.

But almost was never the goal. They are no longer trying to prove that they can compete at the highest level. They've already done it.

Then came Cologne. They won the Major. They finally turned years of near-misses into a championship.

But the story doesn't end there. Can they do it again — when everyone expects them to?

EWC 2026 is not a fresh start. It is not just another tournament. It is the next chapter of a journey that started with third place at EWC 2025 and led to their breakthrough in Cologne.

The pressure is different now. The expectations are higher. And the target is no longer the podium. It's the top.

CAMPAIGN NARRATIVE

ONE JOURNEY. FOUR CHAPTERS. NO FINISH LINE.

01

WE WERE CLOSE.

EWC 2025 → 3rd

The story begins with a result that was impressive, but not enough. Falcons reached the podium, but the trophy was still out of reach. They were close.

02

WE KEPT COMING BACK.

3rd → 2nd → 2nd → 2nd

The following months became a cycle of near-misses. Different tournaments. Different opponents. Same ambition. Every time they fell short, they came back. They kept pushing.

03

THEN WE WON.

IEM Cologne → victory

After coming close again and again, Falcons finally broke through. They won the IEM Cologne Major. The podium was no longer the destination. They knew how to win.

COLOGNE IS THE TURNING POINT — NOT THE END.

04

NOT DONE YET.

EWC 2026

But winning Cologne doesn't close the story. It changes what comes next. Last year, Falcons came to EWC as contenders and finished third. This year, they return as Major champions. The expectations are higher. The pressure is bigger. And the goal is clear. NOT DONE YET. The next chapter starts at EWC 2026.

CUSTOM KPI

STORY ENGAGEMENT RATE

WE MEASURE ENGAGEMENT ON POSTS THAT TELL THE FALCONS STORY COMPARED TO GENERIC MATCH CONTENT.

TO DETERMINE: IS THE AUDIENCE ENGAGING WITH THE FALCONS AS A STORY, OR JUST WITH THE MATCH RESULT?

RISKS

STRATEGIC PREVENTION / NOT CRISIS THEATRE

- 01**  **THE CAMPAIGN BECOMES A "COLOGNE RECAP."**
SOLUTION: COLOGNE BECOMES A TURNING POINT, NOT THE END OF THE STORY.
- 02**  **OVER-RELIANCE ON THE OUTCOME.**
SOLUTION: PLAN A + PLAN B.
- 03**  **THE HASHTAG BECOMES ARTIFICIAL.**
SOLUTION: USE IT ONLY WHEN IT SERVES THE STORY.
- 04**  **THE CONTENT BECOMES OVERLY CINEMATIC.**
SOLUTION: RAW PLAYER MOMENTS + REAL REACTIONS.
- 05**  **THE CAMPAIGN BECOMES A ONE PLAYER CAMPAIGN.**
SOLUTION: MULTIPLE PLAYER STORIES + TEAM IDENTITY.
